*I was walking down the road and I saw... a donkey
- hee haw!
And he only had three legs!
He was a wonky donkey.*

An award-winning song with hilarious illustrations that will have you laughing out loud.

Craig Smith enjoys watching the faces of kids giggling when he sings or reads *The Wonky Donkey*. He has an excuse to be a five-year-old again, allowing him to be silly and stupid without have to explain himself, which he finds so much fun and liberating.

Katz Cowley divides her time between being an artist/illustrator, teacher/facilitator, writer and musician. Katz remembers her aunt teaching her that being creative isn't about 'getting it right', it's about expressing yourself. A whole new world opened up to Katz when she learned that.
